

Dreaming of Boating Media Campaign

MTAM is partnering with Fish & Hunt Maryland to reach our state's fisherman and keep them dreaming about boating!

We need content from you!

Are you carrying a new model that a fisherman should look into? Do you have new gear for them that could be an upgrade or an absolute game changer? Shoot a quick video to keep people dreaming!

Short and Sweet
Shoot for the video length to be about 1 minute.

Make it Personal
Engage with your viewer. They want to hear from you!

Inspire!
This is all about keeping the boating spirit alive.

Send your clips to susan@mtam.org and ljaros@mtam.org
