

SAFETY-AT-SEA SEMINARS

HERE ARE THE DETAILS FOR ARRIVAL to the ANNAPOLIS SEMINAR:

Due to continued security measures at the USNA, parking on the Yard is limited to cars with Department of Defense parking stickers. Therefore we suggest the following option for parking in Annapolis.

The closest parking garage outside the Academy is the Bladen Street Garage located between Rowe and St. John's Street. Parking at the Bladen Garage is FREE on the weekends. The other parking garages in Annapolis are not FREE. The walk to Alumni Hall is ½ mile, approximately 5-10 minutes. To get to the Bladen Street Garage from Route 50, take Exit 24A Rowe Blvd. Follow Rowe Blvd to Calvert Street, turn Left and enter the garage on your Left.

**USNA Security will ask to see a picture ID when you enter
Naval Academy grounds. Please Be Prepared!**

From the Garage you can choose to walk: Follow St. Johns Street. To College Ave, turn Left. Follow College to King George Street, turn Right. Follow King George to Maryland Avenue, turn Left. Follow Maryland Ave. into the Academy at the Gate 3 security checkpoint, go straight to Decator, turn Left. Alumni Hall is on your Right.

Or, watch for a Shuttle Bug. Small electric vehicles will be running from the parking garage to Gate 3. If you are staying in one of the areas hotels, they may provide a shuttle to Gate 3 if requested.

Everyone must check in - Registration begins at 7:00 a.m. The US Sailing Certificate will be mailed to those who check in on Saturday morning. The Certificate will be sent directly from US Sailing via email and will arrive in 3-4 weeks. The seminar begins at 8:00 a.m. on Saturday and 8:30 a.m. on Sunday. Coffee will be available in Alumni Hall both days.

WHAT TO BRING AND BE PREPARED:

Please dress appropriately for the weather and be prepared to walk. Parking is located outside the Academy, approximately 1/2 mile from Alumni Hall and in addition, you will walk to the on-water demonstrations on Saturday, approximately a ten minute walk. Also please bring: Inflatable or harness type PFD, foul weather gear, boots and a tether. This equipment is not mandatory but will be reviewed for how it will assist or impair your safety. Therefore please bring if possible.

Boxed lunches will be provided both days. Due to the number of attendees, we will not provide options for the boxed lunches, they will all be the same. If you have special dietary requirements you may want to plan ahead.
